This Warranty is only applicable to products used in residential applications within the United States and is not transferable to subsequent owners.

Azzurri Kitchens will elect at its discretion to either repair or replace the defective material or component, free of charge. This warranty only covers parts and materials of the products manufactured by Azzurri Kitchens. Not covered by this warranty are countertops, appliances, plumbing fixtures, etc., or the costs, including labor, to remove and reinstall materials and related components such as fittings, appliances, etc.

This warranty will become void if the cabinets are in any way modified, improperly re-installed, or damaged after installation by Azzurri Kitchens. This Warranty is void when the cabinets are not installed by our team of installers. Furthermore, this warranty will not apply to cabinets damaged by misuse, neglect, abuse, acts of God, exposure to moisture, exposure to extreme temperatures, or the effects of normal wear and tear.

Cabinets may vary in color, characteristics and exhibit subtle changes as they age. Sunlight, smoke, household cleaners, abrasive products, and other environmental conditions may also affect the color match over time. These variations are considered the nature of the material in relation to its environmental exposure and are not covered under this warranty.

If a warranty claim is filed after a product becomes obsolete, COMPANY reserves the right to honor the warranty in one of the following fashions:

1. To replace the affected component with a new component of the same style.
2. To replace the affected component and any other component(s) in the residential application to achieve a uniform appearance with a similar and comparable product style of the originally purchased style.

THIS WARRANTY IS THE EXCLUSIVE WARRANTY OF THE COMPANY.
